What do you need to be a model?

a.

Don't wait at home for agent to come to you-get out there and make your dream come true. You must want success: aim for the top

b.

Learn how to be profesional, and try not to make mistakes. Think Smart, act Smart, and dress to kill!

c.

You have to sell yourself out there---you are a product. Believe in yourself, stay positive, and never have doubts.

d.

You have to travel away from family and friends. You may even have to live in another city. You have to be able to be alone and do things for yourself.

e.

There are lots of things to think about. Times, dates, plans, meetings.., you must be able to manage your time efficiently. If you don't have a diary, get one.

f.

Being a model is not easy! It's hard, and you must be healthy and be able to work for long hours. Eat well, take exercise, and make sure you are fighting fit.
